++ Valid for broadcast between 0600 and 1800

Headline:

Another cold day with scattered showers and sunny spells.

Today:

After a bright and frosty start Sunday will see sunny spells and scattered showers. These showers may turn heavy or wintry at times giving some hail or sleet. Feeling cold with light winds. Maximum temperature 9 deg C (48 deg F).

Tonight:

Cloud and showers will clear to give a fine evening. Feeling cold with another widespread frost forming. However, cloud thickening again overnight to bring patchy light rain and hill snow. Minimum temperature -2 deg C (28 deg F).

Monday:

A cloudy morning with patchy rain, giving way to brighter skies and some showers into the afternoon. Becoming drier by evening with clear spells. Cold, though warmer in any sunshine. Maximum temperature 9 deg C (48 deg F).

Outlook for Tuesday to Thursday:

Cloudy with scattered showers on Tuesday with the occasional sunny spell too. Mostly dry with some sunshine on Wednesday and Thursday. Gradually becoming milder.
